

Dogs Trust Shared Adoption Scheme

Medication No Longer Covered Under the SAS

Effective from 1 March 2021

From 1 March 2020, the Shared Adoption Scheme will no longer cover the cost of medication prescribed by your Veterinary Practice or Veterinary Referral Team, unless it is Prescription Only Medication (POM-V or POM).

We have set out below a list of the most common medications which we are no longer able to cover. Please note that **this list is not exhaustive** and your veterinary surgeon will be able to guide you as to whether or not medication they prescribe is Prescription Only Medication (POM-V or POM).
